

AGROW AWARDS 2018

DATE : 13th November 2018

Shrenik Mehta wins Agrow Best Manager with Strategic Vision Award, Presented by Philips McDougall

Shrenik Mehta won the Best Manager with Strategic Vision Award at the Agrow Awards presented last night at the 8 Northumberland in London, with a crowd of almost 200 people.

The **Agrow Awards** recognises the industry's successes, setting a benchmark for excellence while rewarding innovative ideas and concepts that have pushed the boundaries of what is possible.

Shrenik Mehta was chosen for his work designing a product that uses other actives in combination with Mancozeb to overcome resistance issues. He played a vital role in launching the product "Avancer Glow" in the Indian market and followed that up with launches in many other countries.

Recipients are chosen from entries taken from around the WORLD and adjudicated by a distinguished judging panel which this year included: Dr. Alan Baylis, Chair, SCI's BioResources Group; Dr. Christopher Richards, Director; Dr. Jackie Bird, Former Editor, Agrow; Jim Bullock, Co-Founder, iFormulate Ltd; Matthew Cossey, CEO, CropLife Australia, Agricultural Biotechnology Council of Australia; Dr. Phil Smith, Publishing Director, Agrow; Dr. Siang Hee Tan, Executive Director, CropLife Asia; and Sanjiv Rana Editor-in-Chief of Agrow and chairman of the judging panel.

The awards are managed by Agrow – Agrow provides a comprehensive view to track the latest developments in the global crop protection industry. From information on M&As and new products, to detailed reporting on regulatory and legal changes, Agrow helps clients react with confidence and gain critical competitive advantage in a changing market. Agrow is part of Informa's Agribusiness Intelligence, providing unrivalled expertise from farm to fork.
